white-washing, colour washing, etc., the works being actually executed through Government Agency, and shall deposit a similar sum of Rs. 50 at the beginning of each succeeding year of this contract.

2. The contractors shall use their own furniture and utensils in the building, and hand over the building to the Government in good order when the contract ceases. The contractors also hall make good any damage to the building while in their charge, caused either by neglect or otherwise of their staff or guests entertained by them. In respect of Government furniture, if any, with them, they shall render periodical accounts to the Executive Engineer, Krishnaraj Sagar Division.

3. The Government agree to make necessary lighting and water supply arrangements. The contractors on their part shall pay regularly on the 5th of every month the amount billed for by the Public Works Department towards lighting charges relating to the previous month, in default of which the service connections to the Restaurant will be cut off, and the contractors shall pay charges for the reconnection. Further, whenever the power consumption during a month falls short of the minimum as per meter reading, the contractors bind themselves to pay the minimum charges fixed for each installation together with the meter hire. The contractors also shall bear the cost of the repairs to power line in the building, this being carried out through the departmental agency only. The renewl of bulbs, etc., in the building shall be done by the contractors as in the case of tenants.

4. Government undertake to carry out at their expense necessary major repairs to the building.

5. The Government agree that no other firm or club will be allowed to cater in the Indian style in the Krishnaraj Sagar Gardens during the period of the lease, but they reserve the right of issuing temporary licenses to petty stall keepers and shops in the gardens for the sale of plantains, cocoanuts, and other sundry articles during festive occasions such as Dasarah, and Birth Day of His Highness the Maharaja of Mysore, and also to small coffee stalls to be run outside the gardens for the benefit of the poor class of people.

6. The Government agree to grant free toll passes on application, for the passing over the Krishnaraj Sagar Dam of the minimum staff which should be fixed beforehand, and materials of the contractors.

7. The contractors shall run the hotel and restaurant without any complaints from the public and to the satisfaction of the Executive Engineer, Krishnaraj Sagar, or his authorised representatives.

8. The contractors agree that any amounts that may become due from them under this agreement may be recovered as arrears of land revenue.

9. The contractors shall keep the building and the surroundings in a good sanitary condition. The cartering shall be in first class style and all preparations shall be entirely hygenic and the rate shall not be more than those prevailing at Mysore. In this respect the instructions given by the local Medical and Sanitary Officer will be binding on them.

10. The decision of the Chief Engineer will be final and binding on the parties hereto in all matters regarding the intepretation or operation or carrying out of this agreement.

11. The Government reserve the right of withdrawing the permission hereby granted to the contractors and to determine this agreement at any time without assigning any reason, and will not be responsible for any claims the contractors may bring forth in consequence.

Contractors. *Government of Mysore.*

HASSAN DIVISION.
